Dear Parents/Carers

Here in Early Years we are starting 'Stay and Play sessions'. This is where we invite you in to your child's class for the afternoon to see what your child gets up to at school. I am sure lots of your children come home and say 'I haven't done anything today' or 'I can't remember' therefore we would like to give you the opportunity to come and see for yourselves!

As I am sure you are aware, in Early Years a lot of the children's learning is completed through play. This takes up a lot of your child's day and we believe this is fundamental in helping your child develop. So if you are wondering why your child comes home with sand in their shoes, mud on their trousers or paint in their hair come and see the learning which has gone on through their play sessions.

We have limited places for each session and spaces will be allocated on a first come first served basis. I apologise if you do not get your first choice but we will run more sessions later in the year if these sessions are popular. Please select the dates below in your order of preference and return to your child's class teacher. All sessions will run from 2:15pm – 3:00pm. We will then send you back a slip confirming the date for your session.

Please note these sessions are for adults only so you can focus on your child and the fantastic learning they are doing.
