Friday 29th May 2020

Dear Parents & Carers,

As you are probably aware, the government confirmed yesterday that certain year groups in primary schools will soon begin to return to school.

To enable this to happen and to ensure the safety and well-being of all pupils and staff, Swale Academies Trust is completing rigorous risk assessments in all schools, including Beaver Green Primary School.

Our school is now preparing the site for wider reopening and ensuring that the right equipment is in place. A phased return of Reception, Years 1 and 6 will start from Monday 8th June - although we need to be clear that not all of these year groups will start back at the same time. An increase in numbers of children on site will need to be careful, gradual, and carefully considered.

Detailed information about new arrangements will be shared with parents and carers by Wednesday next week, along with details as to how parents of children in these year groups can begin to confirm with us what their intentions are about sending their children back.

Many thanks to you all for your continued support throughout this situation.

Best wishes,

Louise Hopkins
Executive Headteacher
