Dear parents/carers,

In Year R, it is important to us that parents are involved in their child's learning. We are keen to work in partnership with our parents and we would like to promote a partnership between the school, parents and pupils.

With this in mind, please can you complete the sheet attached, with your child. The red boxes are for you to complete with your child, so we can see how they feel they are getting on. The blue boxes are for you to fill in to let us know how you think your child is progressing with their learning.

There are also some spaces at the bottom should you have any questions or concerns. Please complete this and bring it to your parents evening appointment so we can discuss it then.

We look forward to hearing yours and the children's responses.

Kind regards

Miss Clark and Miss Humphreys
