11th October 2019

Dear Parents/Carers,

On the first day back (Monday 28th October) Year 5 are hosting a SPACE SPECTACULAR! We would like to invite your child to come into school wearing a space themed outfit. This can be anything from a rocket ship, an astronaut to a planet: the more creative the better!

On top of this, we would like your child to pick one of the following Space projects to be completed over the break, and brought in on the first day back.

- Keep a Moon diary over the course of the break. Draw the shape of the moon each night, finding out and recording the correct term for each lunar phase
- Imagine....an alien spaceship has crashed landed in your back garden. Write your own story about what happens next. You may want to borrow ideas from space stories or films you know well. Remember to use powerful vocabulary to bring your story (and your alien) to life!
- So far 24 astronauts have visited the moon. Find out their names, download pictures and record interesting facts about them.
- Design and create your own astronaut space helmet or alien headwear using junk materials. (This could become part of your space themed outfit!)

We look forward to seeing all of your hard work and costumes on Monday 28th October.

Many thanks,

Ms Marks Mrs Bourne

Year 5
