3rd January 2019

Dear Parents/Carers of Year One Children,

We are pleased to tell you that for the second year running, 'WOW! Workshops' will be visiting Beaver Green to do a workshop with Year One children on Thursday 10th January. This year the theme will be dinosaurs as our next topic is 'Dinosaur Planet'!

The ladies from WOW! Come in and transform one of the classrooms so that it is totally unrecognisable; ready to transport the children into an imaginative world that will inspire their writing.

Last year's children really loved the experience and produced some fantastic poetry work afterwards.

We are really looking forward to sharing this experience with your children!

Please read and return the attached slip by Monday 7th January.

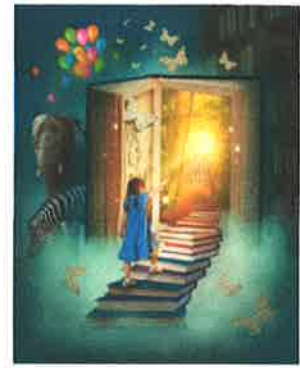

Thank you

Mrs Hemstead and Miss Salter

WOW Workshops

Awe and Wonder Workshops for Primary schools that
Captivate, Engage and Inspire

www.wowworkshops.co.uk

Dear Parent / Carer,

Firstly, let us just say we are so excited to be coming to your child's school. We absolutely love what we do.

We are both experienced Primary school teachers and have been judged as outstanding teachers by Ofsted. Our love of English has led us to develop workshops to inspire, engage and captivate children.

What experiences will your child have at our workshop?

Your child will be entering a dinosaur museum where they will help the local palaeontologists to discover the secrets of the museum and find out as much information about dinosaurs as they can!

We pride ourselves on our dynamic creative approach to learning and will ensure that your child returns home with magical memories of their exciting mission that day!

How will my child be catered for?

The children will experience several different creative hands on, learning tasks that will enable them to fulfil their learning. Throughout the workshop our teaching skills allow us to adapt to any situation, specifically focussing on how we can improve your child's learning capabilities. We are patient, caring teachers who believe that every child should fulfil their potential. The ability to adapt and be flexible within our workshops enables each and every child to 'sparkle and shine!'

We are fully inclusive in our teaching methods, with excellent behavioural management. We will be working closely with your child's school ensuring that every child is treated as a unique individual and has fun.

Throughout the course of the day we would appreciate permission to take photographs of your children enjoying their learning. Please complete the form below.

We very much look forward to meeting your child and will be working closely with your child's school before our visit therefore if you have any queries please do not hesitate to contact your child's class teacher.

Kind regards,

Charlotte Rawling and Juliet Watling
